My Culture, My Heritage

(Sec 1 MTL Signature Programme)

Whole department approach

Our journey to better understand our culture through class discussion, reading, research and presentation

3 themes

I Love My MTL	Traditional Sweetmeat (kuih) in my community	The Arts in my Society
<p>Importance of preserving/appreciating our MT</p> <p>Challenges teenagers face in speaking MT with family members, friends etc;</p> <p>The ability to be bilingual to function effectively in today's society (economic value, social value).</p>	<p>Discovering our traditional sweetmeat (kuih) in our own community</p> <p>Kuih tasting session (during MT class)</p>	<p>In class: students watch video and find out about the visual art and performing art in each community.</p> <p>Authentic learning experience: Discovering our art and performing arts (during Sec 1 Culture Camp)</p>

A group of five school students, three girls and two boys, are standing on a green lawn in front of a modern school building. They are all wearing dark blue school uniforms with red ties. The building behind them has a colorful mural on its wall. The students are smiling and looking towards the camera. The text "Thank You" is overlaid in the center of the image.

Thank You
