

Care Corner Singapore

Parenting Support Services

- We are MSF appointed Parenting Support Provider for schools in Woodlands and Sembawang.
- Partners schools to support parents by providing evidence-based Positive Parenting Programme (Triple P), counselling and information/referral service.

There is no more
important and rewarding
job than raising children.

Dr Matt Sanders,
Developer of Triple P

Triple P aims to:

- Prevent behavioural, emotional and developmental problems in children
- Enhance the knowledge, skills and confidence of parents
- Build Strong and Positive Parent-Child Relationship

Delivery format:

- Seminars
- Individual consultation sessions
- Small group sessions

What Parents Say

100%

Improved in parenting competency
