### Intent to Purchase Personal Learning Device (PLD) 2026

#### Marsiling Secondary School

1. Please tick the following and submit the form to the **General Office no later than 2<sup>nd</sup> February 2026**
2.  **Yes**, I would like to purchase the PLD bundle described in paragraph 3 of this letter and would like to use my child's/ward's Edusave (to the applicable limit) to pay for the PLD bundle. I understand that where there are insufficient Edusave funds to pay for the PLD bundle, I will pay for the remainder in cash.
- Yes**, I would like to purchase the PLD bundle described in paragraph 3 of this letter and would like to fully pay for the PLD bundle in cash.
- No**, I would not be purchasing the PLD bundle described in paragraph 3 of this letter and would like my child/ward\* to use his/ her\* own personal computing device in school. I am aware that this is subject to the personal computing device being of the same OS as the school-prescribed PLD and is compatible with the MOE DMA.

Please note that should you choose not to purchase the PLD, your child/ward will not be able to use his/her personal computing device in school unless the DMA is installed on such device. As explained in paragraph 7 of this letter, the DMA is crucial as it allows the teacher to control the student's use of computing device during class time.

3. The default mode of collection is for your child/ward to collect his/her PLD in school and verify the condition of the computing device. The Vendor will run through a device checklist with your child/ward at the point of collection to ensure that the device is in good working condition, and for your child/ward to verify the condition of the device.
4. If you are concerned that your child/ward will not be able to properly verify the condition of the computing device, please notify the school and arrange to either collect the computing device personally at the Vendor's service/collection centre or appoint an adult proxy to do so.
5. Please indicate one parent's/guardian's personal email address to be provisioned with the DMA Parent's Account for viewing of your child's/ward's PLD information. This personal email account should only be accessible by the parent/guardian.
